

CORINOMA

1970 CORINONA

Annville – Cleona High School Annville, Pennsylvania A figure stretches to grasp a complete circle
Complete, yet made of prism-like parts
Each reflecting and enriching tones,
Each making the others whole and full —
In perspective.
No ordinary circle — its prisms are individuals
Dazzling, shimmering from absorption and reflection
Individuals whose symmetric sides are pyramidian phases
Academic, social, physical — defining the prisms' shapes —
In perspective.
A figure strides the past and future, keeping the cirlce in eyeshot.
Prepared to grow.

Dedication

In appreciation for years of service to Ann-ville-Cleona, the Class of 1970 is proud to dedicate this volume of the Corinoma to Miss Mildred Myers. During these years she has not only inspired her students with the teaching of Latin and its history, but also has become a sincere friend to many students. Her honest effort to become involved with the students, willingness to discuss current events and problems, and pleasing personality will long be remembered by everyone. During these years she has shown her musical talents by serving as organist for assemblies, concerts and commencement exercises. Perhaps most importantly Miss Myers will be remembered for her time and effort in preparing us for the years ahead.

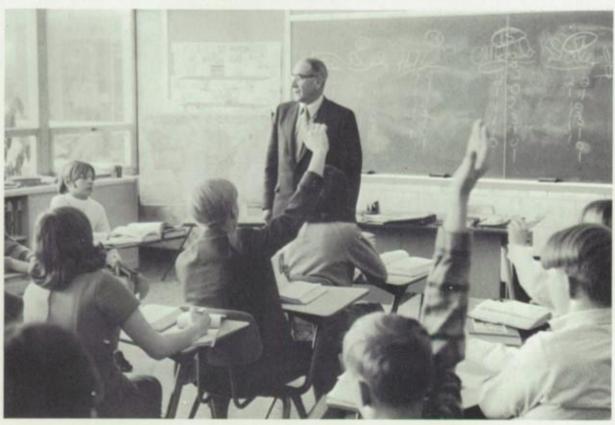

Dedication

Since the beginning of his teaching career at A-C, Mr. Howard Moyer has proved his dedication and friendship toward students in many ways. His inspiring history classes have taught us the value of our government and local history. He also showed concern for the problems of our world in his constant effort to prepare us for the complexities which lay before us. He has excelled not only as a teacher, but also as a coach and sportsman. He was instrumental in organizing and coaching the first tennis and soccer team at Annville-Cleona and he coached the first basketball team that entered the District III PIA state tournament.

For these attributes as a teacher, determined coach and sincere friend, the Class of 1970 proudly dedicates the Corinoma to Mr. Howard Moyer.

The 1969-70 Annville-Cleona School Board planned for the future development of education in the district by instituting new ideas for the school year. Committees were reorganized to become deeply involved in the educational process of the school district. Educational developments such as block scheduling in the tenth grade, added elective courses for the senior high and an elementary guidance program were a few of the steps taken to further help the students comprehend knowledge easier and help the teacher understand the students potential. The school board will continue its work as it developes a Long Range Development Program that will include Elementary and Secondary schools.

Administration

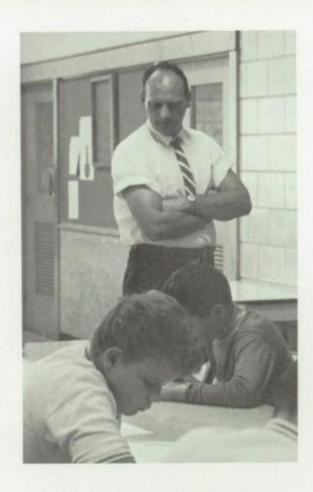

Mr. Coleman became the principle of Ann-ville-Cleona during the summer of 1969. He worked with the Student Council in providing a school store and a Senior School Lounge during the school term of 1969-1970. Mr. Coleman, ready to give council to anyone who asked, also participated in the Student-Teacher Advisory Board which helped bridge the gap between the students and the teachers. In reference to the seniors, they believe that he showed them that school had responsibilities set for each person, but that school could be fun and enjoyable if that responsibility was carried out to perfection.

Mr. Schwang, a newcomer to A-C-H-S from California, became the high school's assistant principal to Mr. Coleman in the 1969-1970 school year. His attitude toward all raised the moral not only of the students, but also of the teachers.

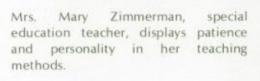

As junior high guidance counselor, Mr. Forney's job includes over-seeing tests.

Marching Band Salutes 100th Year Of Football

The 1969-70 Marching Band, conducted by Mr. James Huey, saluted the 100th anniversary of football with the help of Miss Baker and Mr. Coble, two Lebanon Valley College students. They made the formations for the band to follow and helped decide what music the band should play at this special game.

The band practiced hard over the summer and during school hours, too, to prepare the shows for half-time for the ever-excited crowds at home and away.

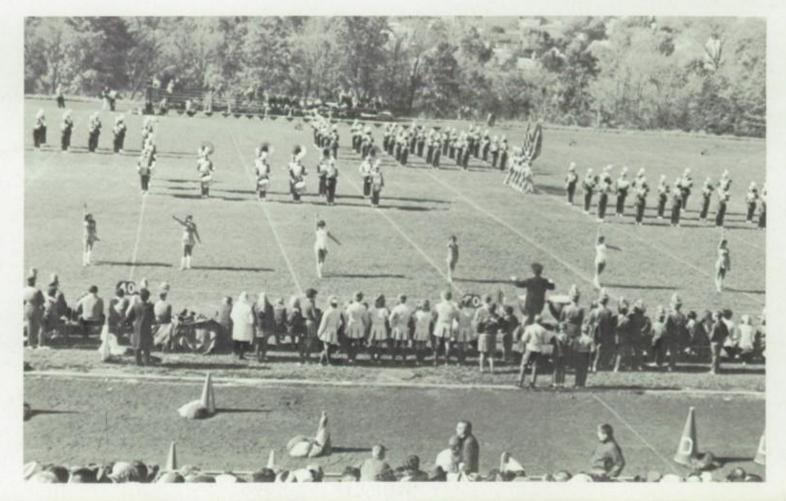

The marching band also marches in the Palmyra Christmas parade and in the Memorial Day parade in Annville.

The Sr. High Student Council has a big responsibility towards the school. Among these responsibilities are; morning announcements, handbook, student store, assemblies, parking lot, bulletin board, flag, lost and found, and student lounge. Student Council is responsible for selling refreshments at home basketball games. It also held many interesting assemblies.

Student council helps to develop responsibility among the students. It also improves relationships among the students and the teachers.

Two new additions, for which the Student Council was responsible, were added to the school. They were; the student lounge and the student store. The lounge was for seniors only. Seniors were able to go there during study halls. Soft drinks and candy were sold. The store was open to the whole school. Some items which could be bought there were; T-shirts, jackets, sweaters, candy, pencils, stuffed animals, and others. The store turned out to be quite a success.

The Senior Tri-Hi-Y, regularly known as the A-C Action Club, represents a group of girls who are interested in promoting service acts throughout the school and community. These girls are very much dedicated to the cause of service.

Throughout the year such events as collecting for the March of Dimes, the March of Dimes basketball game, a Thanksgiving basket for a poor family the pennies given to the seniors at their breakfast, and the long-stemmed, red and white carnations given to the seniors at commencement will create a lasting impression in the minds of future classes.

The leadership of the club was held by Suzy Grant who strived for complete success in every project which was done throughout the year.

Last but not least, the advisor of the club was Mrs. Keller. She was very successful in helping the girls overcome the problems which besought them. She always helped in every project which the girls were involved. She was sincere and when she did not like how the project was being done, she tried to compromise with the girls. The girls will always remember Mrs. Keller and their great times, with the sincerest wish that Mrs. Keller will remember them.

Under the leadership of Mr. Lingle, the Varsity baseball team captured its first championship in the Lower Dauphin League. The team swept the championship with 14 straight victories without a loss. Considered one of the finest ever produced at A-C, the team had an outstanding batting average of .292. The pitching staff proved to superb along with the offensive power. Each team member contributed to the success of the season. The senior tri-captains will be missed next year and it will be up to the several outstanding underclassmen to again bring the championship to A-C.

John Wise, who proved to be the strongest pitcher on the staff, had a record of 8 wins and 0 losses along with an E.R.A. of .803.

Bill Herr, our super center fielder, while batting in the lead-off position led the team in R.B.I.'s.

New Coach Sparks Varsity Team To An Improved Season

Where's the Right Guard!

Under the new A-C coach, Mr. Shifflet, the Annville-Cleona basketball team made itself known in the Capital Area Conference. A-C tied for fifth place with a 7-13 record, an improvement over last year's 2-18 record.

John Fisher, captain of the squad, led the team both in offensive and defensive rebounding. Rounding out his senior year, Bill Kline contributed 265 points and 63 assists. Bill Herr led A-C's scoring with 351 points, fifth in the Central Pennsylvania Area, and completed 74 assists. Known for his excellent defense, Dale Gingrich was selected for the second team All County in his junior year. Paul Kreider, coming in with an impressive Junior High record, displayed great potential in his first year on the Varsity squad. All other Varsity team members contributed to the fine 1969-1970 season.

A-C has a promising future with Bill Herr, Dale Gingrich, Paul Kreider, and Dave Snavely as returning lettermen; and an excellent perspective J.V. team helping the cause.

Jayvees Complete Successful Season

Although J.V. basketball is a training ground, this year's J.V. team became the first in A-C history to finish 500 in the Capital Area Conference competition. Led by the experienced Juniors, Randy Loeb, Dave Snavely, Bob Dailey, Ted Schaffer, Ron Long, Mike Kreider, Jeff Miller, and Larry Stegall; and backed by a strong bench, the team finished with a 10-10 record. The year also included two thrilling late season overtime victories over Palmyra and Hershey.

The 1969-1970 basketball season ended on a note of success as the Junior Varsity defeated Cedar Crest on a foul shot scored in the last nine seconds of the contest. This displayed the strength and ability which the Varsity will put to use next season. This year's Varsity was hurt by lack of experience and poor shooting ability, but with aggressiveness, speed, and determination they won four well-fought games. Next year the team will miss Captain Connie Imboden and seniors Betsy Chadwick, Linda Partridge, Brown, and Andy Rhodes. However, six returning lettermen, including high scorer Brenda Coleman, will lend depth and experience to next year's team.

Next season a new twist will be added to girl's basketball. The Dutch lassies will play by the same rules which govern the boys' — that is, five man or rather five girl basketball. Hopefully, this will add a new and exciting twist to the game and will entice more people to come out and support the team.

CAC League Meet A-C Tied For First District III Meet A-C Finish 3rd Penna, State Meet A-C Finished 5th

Despite several untimely accidents and the loss of Craig Borges, one of our top distance runners for the entire season, the team won all but two of their dual meets, and set several course records in the process. Most of our meets found Dennis Leonard and Jim Hostetter battling themselves out for first place with Dennis winning in most cases. Dennis set new course records at Lower Dauphin and East Pennsboro Barry Books and Marty Brandt were our third and fourth place runners with the fifth spot being shared alternately by Dennis Hines, Dave Graby, Rick Risser, Tom Lingle, and Jim Wise. Other runners finishing in the top eight at various times throughout the season were Bob Dailey, Sam Martin, and Ted Schaffer. Ted ended the season properly by winning the CAC Junior Varsity run in record breaking time. In addition to those mentioned there were many other very promising underclassmen. Jeff Paine and Brian Maulfair were the top freshmen on the team. With the experience picked up by these returning runners and the fine team spirit and loyalty which prevailed throughout this past season, Coach Gerber looks to the future of A-C Cross Country with optimism.

Hockey Teams Show Cooperation And Spirit During Season

Dee Dee displays A-C's team work as she prepares to assist Dawn.

The Varsity Hockey Team enjoyed a reasonable amount of success this season as the A-C girls struggled to fill the gaps left by last year's seniors. Finishing the season with a 5-5 log, the varsity team displayed some of the power and talents that await their opponents next season. Captain Dawn Dutweiler finished her four year varsity career as a capable field leader and no doubt will be missed next year.

The J.V.'s displayed their talents as they won the league championship with a 5-0-3 record. Showing remarkable scoring ability, the J.V.'s outscored their opponents 16-2 to round out an undefeated season.

With nine returning varsity lettermen and a good supply of talent from the J.V squad, next year's varsity team should be one of the toughest ever.

Karen Rauch shows potential varsity skill as she dribbles down the field.

All County Dutchmen

Rich Ebersole, Gene Leonard, Ken Shuey and Dale Gingrich represented the Dutchmen on the 1969 All County Football Team. Heading the A-C contingent were linemen Rich Ebersole and Ken Shuey. Both athletes proved to be vital cogs in the 1969 Dutchman scheme. Both proved to be fine lead blockers for A-C's own version of the paydirt twins. Gene Leonard and Dale Gingrich brought more acolades to the All County Team from Dutch country than a football has stitches. "Leagues best tandem of backs . . . if they were on our team . . . speed to burn . . . all the moves . . ." were just a few of the remarks heard round the league when this pair moved into action. And their press clippings proved their mettle. Gene was the seventh leading scorer in the Harrisburg Area, fourth in the CAC. Dale ranked tenth in the CAC scoring derby carrying an impressive 5.8 yards per carry at the season's finale.

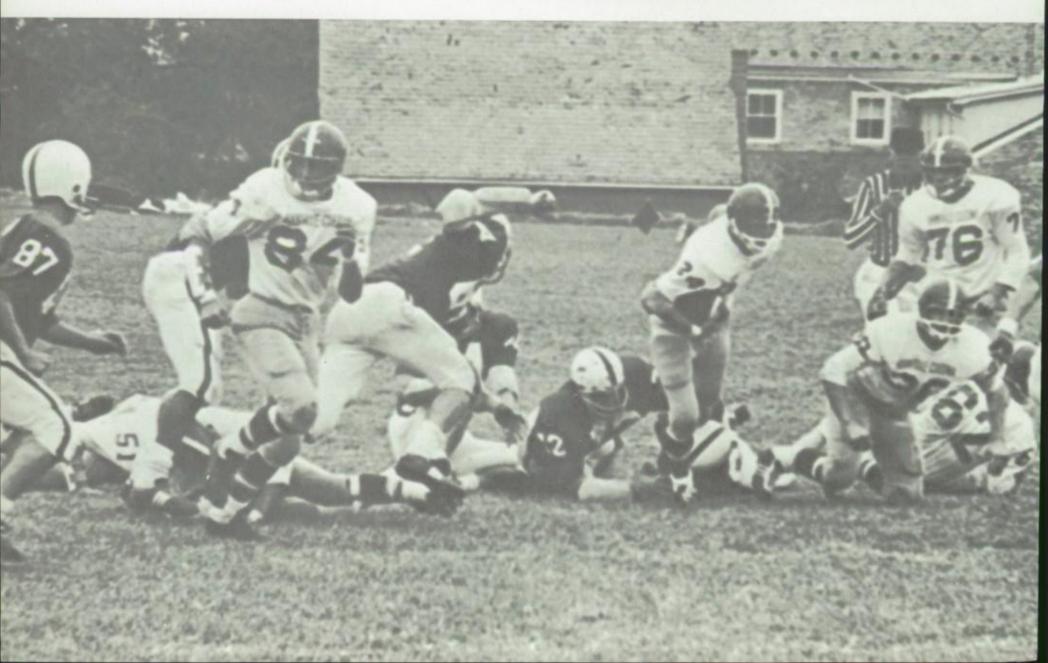

Rich Ebersole and Ken Shuey selected by the Lebanon Daily News as outstanding linemen for their games against Susquehanna and Hershey respectively, Rich excelled as a defensive tackle but was also an excellent offensive blocker. Ken Shuey did everything expected of a guard. He was quick and more than once had sprung the trap that sent A-C's speedy backs on their way.

"1969 The Year Of The Dutchmen"

A 4-6 season record speaks for itself. Our team did not cap CAC honors but it does not indicate the success of football at A.C.H.S. during the 1969 season. A humble beginning as Palmyra and Milton Hershey established themselves as conference powers. But, sometimes there is victory in defeat. From then on the Dutchmen became a team on the move. Two "almost" games with the Eagles from Cumberland Valley and the Panthers from East Pennsboro and then ". . . I'm gonna git me an Injin." Homecoming 1969! Enter Susquehanna Indians, Preseason favorite in the CAC. Even the A-C coaches shared the team's confidence. Big, white, ten-gallon hats, hooping and hollering . . . (8-6) A-C nailed its first victory.

Next came Lower Dauphin and Middletown powers in the area and it is worthy of note that the "Dutch" never backed off. In fact, the L.D. Falcons barely escaped with their feathers intact. It became evident that these Dutchmen knew the game was played in the dirt and success came from within.

The team faced the last three games with a quiet confidence that suggested victory was not in question, but merely by how much. All the pieces fell in place as the Dutchmen unloaded on the Wildcats from Mechanicsburg. And, the season's success was felt in the measured quote "Next week we will become the greatest football team in Annville-Cleona history." Not idle boast, but inner confidence and a desire to succeed was our motto.

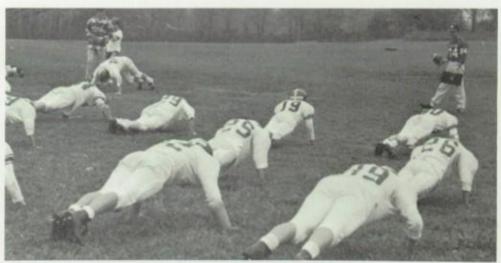

"Next Week We Become Greatest Football Team In Annville-Cleona History"

Time proved this team to be "The greatest..." First the Patriots from Red Land and then the Trojans from Hershey felt the wrath of the spirited Dutchmen. The overall success of football at Annville-Cleona is best characterized in the downpour at Hershey in the season's finale. We were all there: the team, the cheerleaders, the students, and the fans. Success is sweeter when shared.

Gene Leonard, Ken Shuey, Ron Bomberger, Rich Ebersole, John Fisher, Rusty Goodman, Ted Hartman, Kim Hoke, Ron Stark . . . A-C football will always be better because you showed the way.

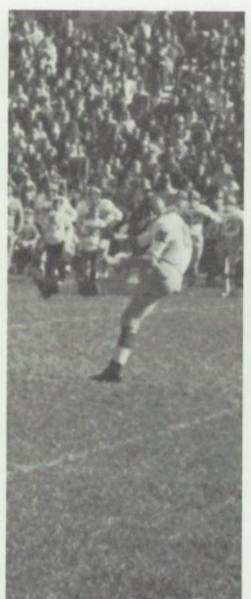

Coach Snyder advises Gene how to set up the sweep for the big play. Boyd Hitz listens intently.

Only the tough survive. Look at those underclassmen cheat. A long way to go to get out winning ways.

Good foot John. The booming kicks of John Fisher proved an invaluable part of each game plan. In addition, John was one of the league's best split ends making pass receptions for 166 yards. John was an added dimension in Gene's bag of tricks.

Soccer Team Finishes Second Season In New League

Led by tri-captains Rennie Marquette, Bill Kline, and Craig Karsnitz — the soccer team experienced much co-operation and discipline during the season. The team's high scorers proved to be Craig Karsnitz with 5 goals and Rennie Marquette and Ernie Seyfert with 2 goals apiece. Among the seniors on the team, Ben Kruger was the best defensive player, and Mike De-Long, the most aggressive. John Barner also showed exceptional skill for his first year on the team. The soccer team again experienced close games this year as last year. They lost 6 games by only one goal.

Mr. Worcester wishes to thank his captains for their leadership and the other senior members and cheer-leaders for their cooperation as they formed the nucleus of his team. He wishes them success in the future (including soccer) and feels that this year was his best team insofar as co-operation and discipline.

Graduation 1970

The class of 1970 was instrumental in adopting new practices for Annville Cleona. Since their sophomore year the class has shown those characteristics of leadership which were vital to their existance. Under the guidance of Mr. Worcester and Miss Witmeyer, our able class advisors, we were able to accomplish these goals: first class to hold the Jr. Sr. prom out of the school; initiated the senior lounge; began a fund for the football scoreboard; and the first class that did not require its members to pay class dues. Our success began many years ago when we attended grade school. Through the years, the individual developement was essential in forming a responsible, dependable class. They will remember their days at A-C long after graduation and will be proud that they were a part of the Class of 1970.
